About the Organization

UBC Geering Up Engineering Outreach is a non-profit, student-run organization dedicated to promoting science, engineering and technology (STEM) to the children and youth of British Columbia through fun, innovative and hands-on experiments and projects. Geering Up also strives to reach all children and youth, regardless of gender, ethnicity, culture, or socio-economic status. Over the past 20 years, we have reached over 150,000 youth.

Job Summary

STEM Instructors are among our frontline outreach staff, delivering week long STEM programs to youth across British Columbia. Those in this role have a special focus on working with at-risk and Indigenous youth, often carrying out their duties without direct on-site supervision. This position requires Tuesday and Thursday availability from 3pm-6pm, including travel time to and from North Vancouver. All travel will be covered by UBC Geering Up.

Under the guidance of the Indigenous Outreach Coordinator and the Outreach Admin team, STEM Instructors are required to:

1. Deliver science, engineering and technology activities
2. Develop and adapt curriculum as needed for programming delivery
3. Act as facilitator of knowledge and role model during outreach programs
4. Follow safety and risk management policies and ensure every student is safe and experiencing a positive learning environment
5. Act as an Instructor and role model
6. Assist in any necessary prep tasks including purchasing and preparation of materials, and packing supplies
7. Implement and document any necessary modifications to the workshops
8. Follow safety and risk management policies and ensure every student is safe and having fun
9. Complete all evaluations and reports in a timely manner
10. Perform other duties, as requested by the Coordinators. This may include planning and instructing Spring Break camps, and leading professional development events for teachers.

Qualifications
1. Strong experience working with children in a teaching environment
2. Willingness to gain expertise on a variety of STEM topics
3. Basic knowledge of computer science topics is an asset
4. Proven leadership skills and exceptional teamwork abilities
5. Excellent communication and interpersonal skills
6. Planning, organizational, multitasking, and self-directed work skills
7. A valid driver's license and access to a car for work is an asset but not required
8. Special consideration given to those with formal training in special education and/or disability theory, those who have worked in a summer camp or classroom environment in the past, and those with current Standard First Aid certification.
9. Ability to create and implement working projects and models of scientific concepts is an asset
10. All Geering Up Staff must have a Criminal Record Check on file before they may work with children.

Term of Appointment
This position is part-time (10 hours/week) beginning ASAP to April 30th 2023. This terms of this position with possible options for extension into the summer.

Remuneration
10 hours per week. The wage for this position is $18.05/hr
