What is Geering Up?

UBC Geering Up Engineering Outreach is a non-profit organization dedicated to engaging the children and youth of British Columbia in STEM (Science, Technology, Engineering and Math) through fun, innovative, and hands-on experiments and projects. Systemic barriers prevent many people from pursuing careers in STEM, so Geering Up strives to reach all children and youth, regardless of gender, ethnicity, culture, or socio-economic status. Over the past 29 years, we have reached youth through events, summer camps, in-school workshops, community outreach trips, clubs, and more. Find more information about our programs [here](#).

Integration Support Instructors work 1-on-1 with children with exceptionalities and language barriers and help them integrate into camps and have a safe, fun, and memorable camp experience. Positions are available at UBC Vancouver, Richmond, and South Surrey camp locations.

What skills are we looking for?

- Strong experience working with children in a teaching or helping environment is required
- Proven leadership skills and exceptional teamwork abilities
- Excellent communication and interpersonal skills
- Ability to speak a second language is an asset, but is not required
- Proven planning, organizational, multi-tasking, and self-directed work skills
- Special consideration given to those with formal training in special education and/or disability theory, those who have worked in a summer camp environment in the past, and those with current Standard First Aid certification.
- A valid driver's license is an asset
- Being an active UBC Student is an asset
- All Geering Up Staff must have a Criminal Record Check on file before they may work with children.

We encourage candidates to apply even if they meet only some of the skills criteria listed above

What would you do in this role?

- Provide Integration Support for campers identified as having exceptionalities or language barriers, such as: providing 1-on-1 support for campers; contacting parents of campers to discuss integration strategies; serving as a resource for Camps Instructors when they need additional camper support
- Support student learning in STEM curriculum
- Act as an Instructor and role model
- Follow safety and risk management policies and ensure every student is safe and having fun
- Complete all evaluations and reports in a timely manner
- Assist in prep tasks at the end of each day
- Perform other duties, as requested by the Camp Coordinators
