

Workshops Instructor

Job Description

Terms of Appointment

Full-Time **April 28th, 2025**
through to **June 10th, 2025**.

Remuneration

\$18.47–19.04 per hour at 35 hours/week. To be paid out according to the calendar set by UBC payroll.

Why Join Geering Up

- Science communication and teaching experience; teaching hours with Geering Up can typically be accepted by Education programs to fulfill admissions requirements.
- First Aid & CPR certification (unless currently certified)
- Access to a national network of STEM outreach organizations. Learn more about the Actua network [here](#)
- Training on topics such as classroom management, working with youth with exceptionalities, utilizing educational technology
- Equity, Diversity, and Inclusion training
- Leadership & program development opportunities for returning staff members

What is Geering Up?

UBC Geering Up Engineering Outreach is a non-profit organization dedicated to engaging the children and youth of British Columbia in STEM (Science, Technology, Engineering and Math) through fun, innovative, and hands-on experiments and projects. Systemic barriers prevent many people from pursuing careers in STEM, so Geering Up strives to reach all children and youth, regardless of gender, ethnicity, culture, or socio-economic status. Over the past 29 years, we have reached youth through events, summer camps, in-school workshops, community outreach trips, clubs, and more. Find more information about our programs [here](#).

What skills are we looking for?

- Strong experience working with children in a teaching environment
- Proven ability to create and implement working projects and models of scientific concepts
- Willingness to gain expertise on a variety of STEM topics
- Basic knowledge of computer science topics is an asset
- Proven leadership, teamwork, communication and interpersonal skills
- Planning, organizational, multitasking, and self-directed work skills
- A valid driver's license and access to a car for work is an asset but not required
- Special consideration given to those with formal training in special education and/or disability theory, and those who have worked in a summer camp or classroom environment in the past
- All Geering Up Staff **must have** a Criminal Record Check on file before they may work with children.

We encourage candidates to apply even if they meet only some of the skills criteria listed above

What would you do in this role?

- Deliver STEM workshops across the Lower Mainland
- Learn, practice, and present 1 to 1.5 hour hands-on science and engineering workshops
- Act as an Instructor and role model at schools
- Assist in any prep tasks including preparation of materials, and packing supplies
- Implement and document any necessary modifications to workshops
- Follow safety and risk management policies and ensure every student is safe and having fun
- Complete all evaluations and reports in a timely manner
- Perform other duties, as requested by the School Programs Coordinator
