

# InSTEM Teaching Intern Job Description

## Terms of Appointment

Part-Time: July 2<sup>nd</sup>, 2025 to August 29<sup>th</sup>, 2025

## Wage

\$18.47 per hour at 15 hours/week. To be paid out according to the calendar set by UBC payroll.

## Why Join Geering Up

- Connect with students who have university experience & a network of Indigenous students
- Training on topics such as classroom management, working with youth with exceptionalities, utilizing educational technology and more
- Learn about equity, diversity, and inclusion in the workplace
- Leadership & project management development opportunities
- Fun summer work experience

## What is Geering Up?

UBC Geering Up Engineering Outreach is a non-profit organization dedicated to engaging the children and youth of British Columbia in STEM (Science, Technology, Engineering and Math) through fun, innovative, and hands-on experiments and projects. Geering Up strives to reach all children and youth, regardless of gender, ethnicity, culture, or socio-economic status. Find more information about our programs by scanning the QR code below:

## What you will learn:

- Skills to engage and inspire youth about STEM topics
- Presentation and public speaking skills, especially in communicating STEM topics
- Proven ability to lead student groups and maintain a positive, inclusive learning environment
- Verbal and interpersonal communication skills to co-teach and collaborate effectively with a team
- Adaptability in lesson planning and teaching to accommodate different ages, learning styles, and abilities
- Strong organizational skills to manage materials, execute daily camp activities, and track tasks and deadlines

## Your role:

- Assist instructors to deliver educational and engaging science, technology, engineering and math (STEM) camp activities in week-long outreach camps
- Act as a facilitator and role model during outreach programs by inspiring students to pursue STEM education and careers.
- Follow safety and risk management policies and ensure every student is safe and experiencing a positive learning environment
- Assist in prep tasks including preparing and packing supplies for outreach programs

## How to Apply

Application form can be found on our website:

Indigenous Gr. 11-12 students & recent highschool grads are encouraged to apply
